Refugio County

Refugio

Parker Lumber (Do It Best)

- Spoke with Monte Wright, the Store Manager
- Provided him with some pamphlets on mold remediation, along with a CD so he could print additional fact sheets and share with their customers
- He informed us that people are just now realizing that they have mold in their homes
- He was unaware of which respirators provided enough protection, we walked over to respirator section and showed him the N-95 markings

Refugio FEMA DRC #37

- They have now moved inside the building at the Refugio County Fairgrounds
- Spoke with Pamela, they had two tables with information which included several of our pamphlets. Added additional pamphlets received today
- She informed us that they would be setting up a DRC in Cureo next week on Monday, Tuesday, and Wednesday. She asked us for additional pamphlets to take with her, which we provided.
- We noted that they also have information on mold remediation that was provided by Walmart, along with booklets from the IRS on disaster deductions
